What's on Your Health and Beauty Checklist?

6/25/2008 8:48:23 AM

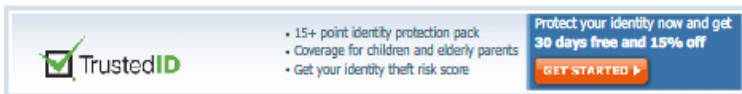

In the movie *Steel Magnolias*, actress and singer Dolly Parton plays the part of Truvy Jones, the woman who runs the local beauty salon. In the movie Truvy says that there is no such thing as natural beauty. In my opinion there is a great deal of truth to that statement. Even if you were blessed with beautiful bones, a slim figure, thick luxurious...

Professional Beauty Supplies Help You Look Your Best

6/6/2008 9:15:44 AM

At some point in time, just about every female becomes concerned with a health and beauty checklist that includes skin care routines and diet control. Most of us have turned to some kind of professional beauty supplies to help give us the radiant look that we desire. The market of professional beauty supplies has grown incredibly which makes it great for having more choices to pick from when making a health and beauty checklist. The only thing is that with so many choices available it is important for each person to be aware of what kinds of professional beauty supplies suit the type of skin that they have and will serve the purpose that is needed. A health and beauty checklist allows a person to make sure she has all the elements to keep herself looking the best she can, every single day. Do a little research into what kinds of professional beauty supplies are recommended as having the healthiest affect on your type of skin. You want to feel confident that you look your best when you put yourself out there in front of the busy world.

Why Pay More for Professional Beauty Supplies?

4/25/2008 11:39:50 AM

You can purchase cheap beauty supplies from your local drug store. However, many cheap products don't seem to do much to improve your skin. Some low cost beauty products actually seem to make your skin worse instead of improving it. I've used cheap moisturizers that left my skin feeling greasy and caused an outbreak of pimples. I've also used... [Read More](#)
